## HOW TO USE VELETTÀ

---

### **Cleansing Oil**

Warm 5-10 drops of Cleansing Oil between your hands.

Press hands to your face and neck, allowing the oil to melt into your skin.

Use firm, upwards strokes to ensure that the oil covers your entire face.

Remove with a warm, damp cloth.

If you're wearing heavy makeup, repeat the above steps to ensure skin is completely clean.

Apply Velettà Rejuvenating Oil.

### **Rejuvenating Oil**

After cleansing your face, warm a few drops of Rejuvenating Oil between your hands.

Press your hands to your face and neck, allowing the oil to melt into your skin.

### **Nourishing Moisturiser**

Apply the Nourishing Moisturiser to clean skin and massage it into your face and neck, so that the moisturiser is completely absorbed.

Seal in the moisture by smoothing a few drops of Velettà Rejuvenating Oil over your face.

### **Velettà Youthful Glow AHA Radiance Treatment**

Smooth one or two pumps over clean skin (avoiding eyes and lips) at night.

Leave to penetrate the skin for a few minutes before smoothing on Velettà Rejuvenating Oil or Velettà Nourishing Moisturiser.

Leave on overnight. Repeat 1-3 times a week.

For particularly sensitive skin, leave on for 5-10 minutes and rinse off.

Sunburn Alert:

Lactic acid is an Alpha Hydroxy Acid and may increase your skin's sensitivity to the sun. Always use sunscreen, wear protective clothing, and limit sun exposure while using this product.

\*It is advisable to conduct a patch test before using this product for the first time. Do not use it if your skin is peeling or compromised. Discontinue use if skin becomes irritated.

### **Velettà Youthful Glow Intensive Hydrating Treatment**

Apply one or two pumps to clean, damp skin.

Smooth on Velettà Rejuvenating Oil or Velettà Nourishing Moisturiser.

Leave on overnight. Use daily or whenever your skin is feeling dehydrated or undernourished.
